## 1. Concept Note :

Shree Dhanwantari Sevabhavi Pratisthan (SDSP) is a Non-Governmental Organization (NGO) registered under Government of Maharashtra ,It promotes the Indian Systems of Medicines in rural& urban areas in Maharashtra, Since 2000.with the aim '*Sarve Santu Niramayah*' To render the best possible Healthcare services at least possible expenses. To update the professionals by organizing & Collaborating different Scientific programs.

SDSP works for holistic health care specially in Non-Communicable Diseases. To Create Healthy Society by providing Health education related to Preventive, Curative, Palliative and Rehabilitative measures.

Since 2017, SDSP has effectively created a National platform for inter-disciplinary interactions among all stake holders of Ayurveda. Hosted two National Seminars on Ayurveda (Udgir-2017) and (Hyderabad-18) , have assembled researchers, practitioner , Teachers, Students.

Manufacturers and Admirers at one place making them unique events. The effectiveness of these two national events can be gauged by a fact that, over 1750 delegates have participated on an average during past two events representing 15 States of our country.

To Commemorate completion of Two decades (20yrs) of Ayurveda Health Care Services and 'Azadi Ka Amrut Mohotsav', SDSP has decided to organize "National Seminar on Medicinal Plants" with the support of NMPB, Ministry of AYUSH, in association with various reputed organizations working in different areas such as Dept. of Botany, Dr. BAMU, Vijnana Bharati, World Ayurveda Foundation , National Ayurveda Students and Youth Association , and Others

Medicinal Plants have been integral part to human healthcare since the origin of mankind.

And for Ayurveda botanical entities constituted a major therapeutic armamentarium, while ayurvedic tradition of healthcare enumerated substances of animal and mineral origins for their therapeutic benefits –herbal constituents constituted the core of Ayurvedic Pharmacology.

These aspects need to be deliberated actively and on a continuous basis. Therefore, it is proposed to include these specific subjects in the scope of National seminar on Medicinal plants.

The Shree Dhanwantari Sevabhavi Pratisthan.(SDSP) and Associates has therefore, been paying adequate attention to the medicinal plants.

**Objectives of Seminar:**

1. To review conservation and sustainability concerns of medicinal plants & to take a stock of different approaches to address the prevailing concerns like Standardization, safety and Quality control.
2. To take a stock of medicinal plants cultivation and discuss the opportunities for expanding market outreach for farmers through multi-stakeholder consultation
3. To review the scientific research on Extra-pharmacopoeia drug (Anukta-dravyas) and “under-utilized medicinal plants” as a “strategy for demand diversion”.
- 4.To develop the socio-economic condition of rural and tribal people through Medicinal Plants.
- 5.To promote Medicinal plant sector by using emerging technology and involvement of industries and also promote by Institution, Innovation , Progressive program and Phyto-chemistry and Quality initiative.
- 6.To create platform of Policymakers from various Research Organizations, industry and academics to share their knowledge and expertise.

## Theme & Logo of the Seminar in the form of Rangoli:

## Admiration of theme of Seminar by Chief Guest:

Dr. Manoj Nesari, Adviser, Min. of AYUSH and Prof. Tanuja Nesari, CEO, NMPB & Director, AIIA, New Delhi. and Others

## 2. Registration :

## Exhibition of Pippali (Pepper Longum) & Its different Products :

by CARD, Anjangaon Surji Amravati ( MH)

## Dignitaries on the Dias in inaugural Ceremony:

### 3. Inaugural Ceremony:

Inaugural Program was started at 10.30 am and continued till 12.30 pm .At the beginning of the inaugural session of the seminar, Prof.Vd.Narayan Jadhav, Secretary ,SDSP Trust, Introduced the Activities of the Trust and theme and relevance of the seminar.Prof. Arvind Dhabe gives the two days details of the scientific seminar ,While Welcoming the dignitaries and the participants of the seminar Prof.Ashok Chavan, Head and convener, introduce about geography and flora of Marathwad.

The Seminar is inaugurated by Prof.Vd.Ravinarayan Acharya,(Director, General, Central Council of Research in Ayurvedic Sciences,New Delhi.) Prof. Shriram Savarikar( Ex. VC, Gujarat Ayurved University , Jamnagar) was the Chairperson of the Programm. And Dr.Shrikant Deshmukh ,(Dean, Faculty of Ayurveda & Unani, Maharashtra University of Health Sciences, Nashik) Prof. B.B. Waykar, (Dean, Faculty of Science,Dr.BAMU,A,bad,) Mr.Kamaji Pawar, Retd.Range Forest Officer,Dr. Sudhakar Mohite and Dr.Mukund Sabnis, Prof.Ashok Wali, Principal (Ayurved College,Astha- Sangali ) Prof.Shriram Jyotishi,Wardha, Org. Chairman,Prof.Vd.Narayan Jadhav,Secretary,SDSP Trust,Dr.Vinod Patange & Prof.Arvind Dhabe( Org.Secreretaries) Dr.Girish Daga,President ,NIMA, Aurangabad.Dr.Viswambhar Pawar,Sr. Ayurved Physician,Nanded. Were present on the Dias.

**Participants in the Seminar:**

**Dhanawantari Stavan & Marathwada Geet:**

#### 4. Felicitation of Chairperson of Inaugural Function :

Prof. S.S. Savarikar by Prof. Shriram Jyotishi Org. Chairman of Seminar&

Prof. Narayan Jadhav. (Secretary, SDSP Trust)

#### Felicitation of Inaugurator:

Prof. Ravinarayan Acharya, DG, CCRAS, by Dr. Vinod Patange, Org.Secretary.

**Felicitation of Dean, Faculty of Ayurveda:**

Dr. Shrikant Deshmukh, , MUHS, Nashik, by Dr. Viswambhar Pawar, Co-Convener of Seminar

**Felicitation of Dean, Faculty of Science :**

Prof. B. B. Waykar, by Prof. Arvind Dhabe, Org. Secretary of Seminar.

## **Felicitation of Head of Dept. & Convener of Seminar**

Prof. Ashok Chavan, (Head Dept. of Botany , by Dr. Amit Lingayat, Co-Ordinator.

## **Felicitation of Chief Guest**

Prof. Ashok Wali,(Principal A D. Ayurved College , Astha) by Dr. Girish Daga, Co-Ordinator.

## Introduction of SDSP Trust & Theme of The Seminar :

by Prof. Vd. Narayan Jadhav ,Chief Organizer of Seminar& Secretary ,SDSP Trust.

**Introduction and objectives of the Seminar** :by Prof.Arvind Dhabe Org. Secretary

**Welcome Address:** by Prof. Ashok Chavan, Convener.

**Address by Inaugurator :** Prof. Ravinarayan Acharya, DG, CCRAS, New Delhi.

**Address by Dean Faculty of Science :** Prof. B. B. Wayakar,(BAMU-A,bad)

Address by Dean Faculty of Ayurveda. : Dr.Shrikant Deshmukh,(MUHS),Nashik

Presidential Address : Prof. S.S. Savarikar, Ex.VC, GAU, Jamnagar.

**Vote of Thanks:** Org, Secretary Dr Vinod Patange .

## **5. SDSP Awards Function :**

SDSP's Main objectives is to give due recognition to Successful candidates by providing opportunity to realize their full potential by felicitating them with Prizes, Awards and Appreciation. This year the Awardees were selected by diverse fields

1. Shri Kamaji G. Pawar, Retd. Range Forest Officer is felicitated for his contribution in Social & Cultivation of Medicinal plants

2. Dr. Sudhakar P. Mohite. General Physician, Ex. CCIM, & MCIM, Member, Aurangabad, for his contribution in dedicated Healthcare Services.
3. Vd. Santosh Nevpurkar, Ex. National President .Ayurved Vyaspeeth, Aurangabad for his contribution in promotion of Ayurved Science.
4. Vd. Mukund Sabnis , Ayurved Physician & Researcher , A' bad. for his contribution in Interdisciplinary research.

**Address :** Awardee Mr. Kamaji G.Pawar, Retd.RFO, Hingoli(MH)

**Life Time Achievement Award :** Dr. Sudhakar Mohite: Ex CCIM,& MCIM, Member

**Address :**

**Life time Achievement Award : Vd. Santosh Nevapurkar**

**Address :**

**Young Scientist Award : Vd. Mukund Sabnis**

**Address:**

## 6. Medicinal Plants Exhibition :

Inaugurated by Hon. Prof. Tanuja Nesari (CEO-NMPB) & Dr. Manoj Nesari ( Adviser ,Min. of AYUSH, GOI, New Delhi)

## **7. Visit To Tissue Culture Laboratory :**

## 8. Visit to Herbarium :

All the Chief guest ,Guest Speakers and participants visited to Herbarium.

Herbarium is a place where dried plant specimens are stored. It was established in the year 1969 by Dr. V. N. Naik, the pioneer Taxonomist of this region. It was initiated with the flowering plants of Osmanabad district and later on collections from all over India have been incorporated. The Herbarium of the Department harbours almost each and every species from Marathwada region. At present it has more than 100000 specimens and 57 type specimens. It has collections from foreign countries either on donation or exchange basis, like Brazil, England, Germany, Switzerland, Denmark, Czech Republic, Slovak Republic, Austria, South Africa, The Netherlands etc. This is internationally recognized and its acronym is “BAMU”. It has special collection of Medicinal plants, Family Cyperaceae, Asteraceae, genus Chlorophytum, Alysicarpus, Terminalia, Tephrosia, etc. 57 new plants have been described by the scholars from this Herbarium. It is a comprehensive collection of plants and has developed as a centre of reference for taxonomists. The University has sanctioned a special grant of 6 lakh for the development and maintenance of herbarium which represents biodiversity. This is one of the largest Herbarium among Indian Universities.

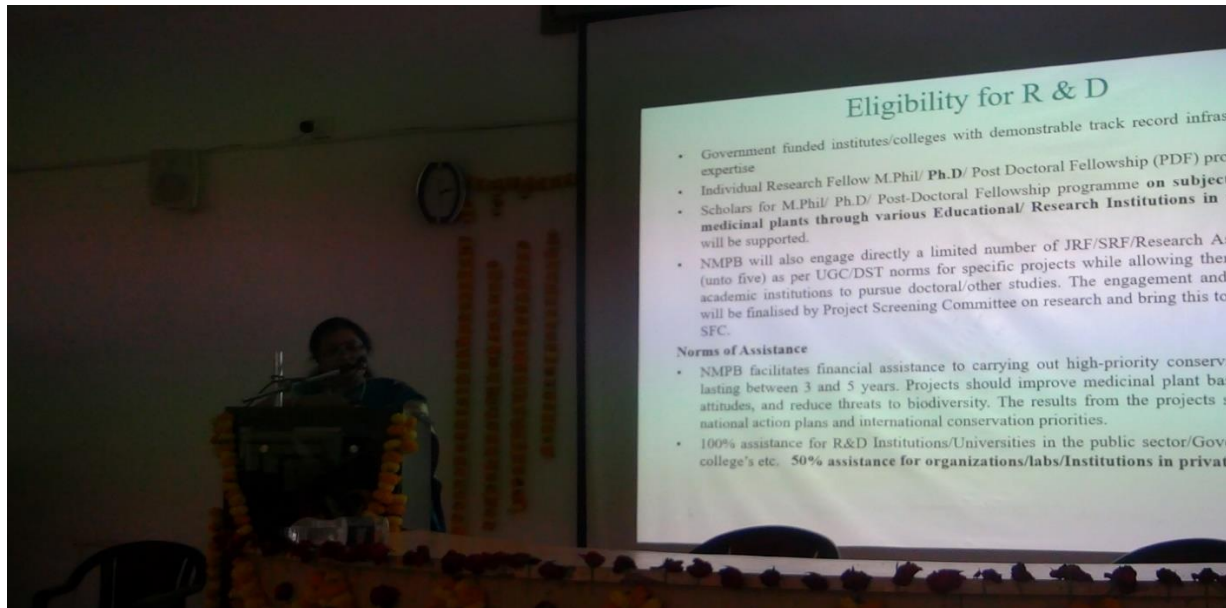

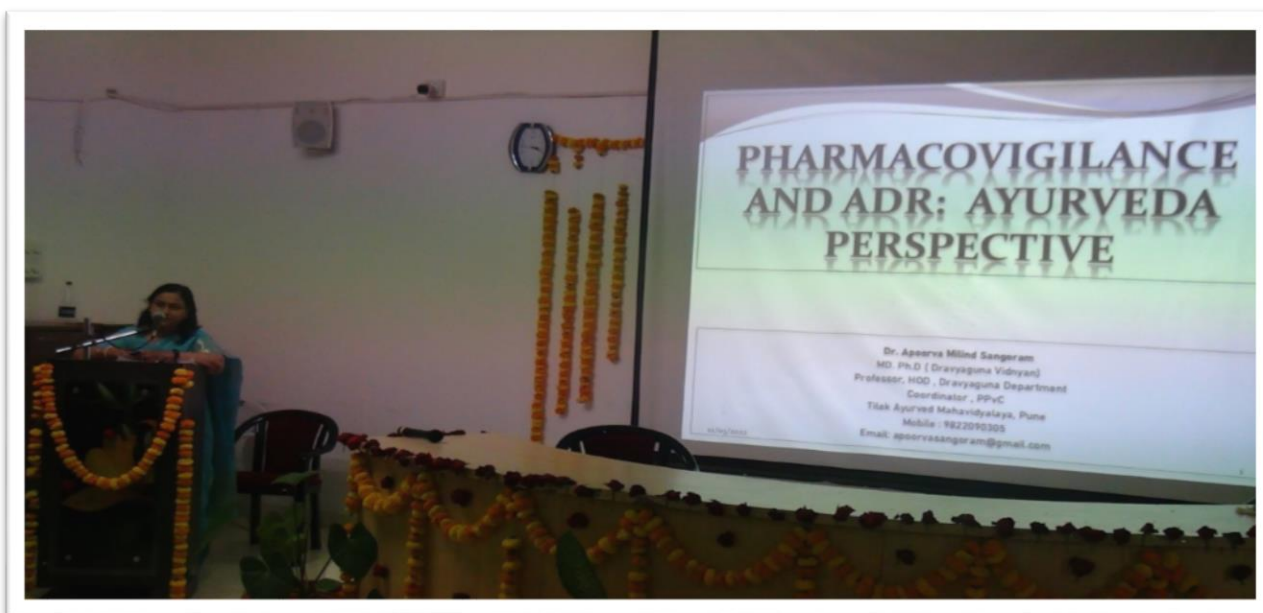

## 9. Scientific Sessions Day- 1

Invited talk 1. **Cultivation of Medicinal Plants : Role of NMPB** by Prof. Meenal Lad, CARC, Akurdi Pune given detailed talk on subject .

Invited Talk -2: **Pharmacovigilance and Adverse Drug reaction : Ayurvedic Perspective** by Prof. Apporva Sangoram , Tilak ayurved Mahavidyalaya, Pune ,itwas very informative for all the participants she pointed out about the necessity of the subject for globalization of Ayurved.

**Invited Talk-3: Current Scenario of traditional Medicinal Plants of Western Ghats:** by Prof Ashok Wali , ADAMC, Astha, Sangali. He emphasized on present status of the medicinal plants and future challenges and solutions on it.

**Invited Talk -4: Anyukta Dravya-Current Researches ,Identification of Medicinal Plants -current trends and Challenges** by Prof. Manasi Deshpande, College of Ayurved, Bharati Vidyapeeth (Deemed University),Pune.

**Invited Talk -5: Sandhigdha Dravya Vinischaya; Controversy of Medicinal Plants Development of Protocol to Identify Contraversial Drugs:** by Prof. Vd. Ravinarayan Acharya, Director General, CCRAS, New Delhi.

## 10. Scientific Sessions Day- II

Invited Talk 6. **Medicinal Plants Conservation & Cultivation in ancient India:**  
Prof. JLN Sastry, Former CEO, NMPB & Vice President, Dabur India, Limited.

Invited Talk 7. **Cultivation , Conservation and Sustainable Use of Long Pepper (Pippali): Challenges and Solutions.** by V. B. Ladole, Chief Functionary ,CARD, Amravati,(MH)

Invited Talk 8. **Herbal Medicinal Plants : World Health Organization's Perspective** by Dr. Geethakrishanan, Technical Officer, AYUSH, WHO, Geneva.

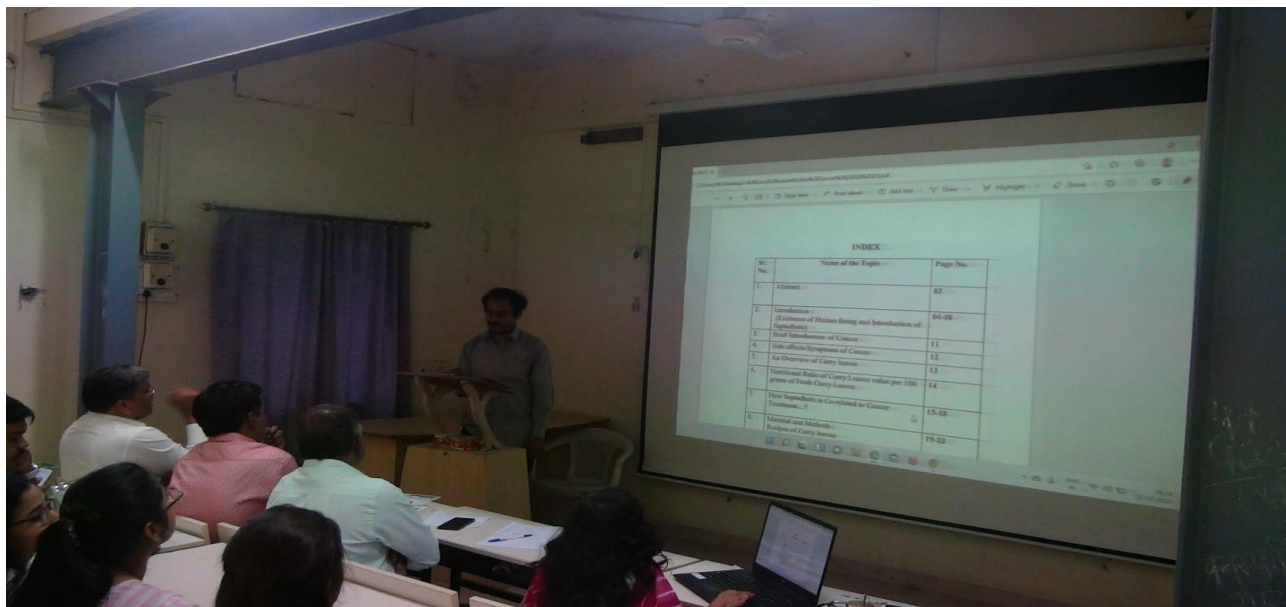

Invited Talk 9. **Herbal Drug Standardization** by Dr. Mukund Sabnis , Ayurved Resercher, Jeevan Rekha Ayurved Chikistalaya, Aurangabad(MH)

**11. Lunch :** Delicious Food was Served by Organizing Committee to All the Participated members, Chief Guest, Facultyes, Resource persons, Presenters,Delegates and Volunteers.

**12.Oral Presentations:** by Facultyes, Researchers, Students (PG ,PhD) & Practioners:

### 13. Valedictory Function:

The function is presided by Hon. Prof. Tanuja Nesari,( CEO,NMPB & Director, AIIA, New Delhi), As Guest of Honor Hon. Dr. Manoj Nesari, (Adviser, Min. of AYUSH) and Mr. Pravin Ramdas, National Secretary, Vigyan Bharati, were present and Dr. J.L.N. Sastry, (Ex. CEO, NMPB) ,Vd. Santosh Nevpurkar, Ex. National President , Ayurved Vyaspeeth graced the function as chief guest.

### Lighting of Lamp:

**Dhanwantari Stavan :**

**Felicitation of Hon. Dr. Manoj Nesari** (Adviser, Min. of AYUSH,GOI, New Delhi) by Prof. Shiramji Jyotishi, Org. Chairman of Seminar.

**Felicitation of Hon. Prof. Tanuja Nesari ( CEO, NMPB & Director, AIIA, New Delhi) by Dr. Shital Ghorband ,Co-Ordinator.**

**Felicitation of Hon .Mr. Pravin Ramdas, National Secretary, Vigyan Bharati by Prof. Vd. Narayan Jadhav, Secretary, SDSP, Trust.**

**Felicitation of Hon. Dr. JLN Sastry, by Vd. Vinod Patange Org. Secretary**

**Felicitation of Vd. Santosh Nevpurkar, Ex. National President, Ayurved Vyaspeeth by Prof. Pramod Khobragade .**

**Felicitation of Prof. Ashok Chavan (Convener) by Prof. Arvind Dhabe Org.Secretary**

**14.Publication of Proceedings :**

Deliberations and Research articles were published in ISBN book Titled, “ **Herbal Medicinal Wealth: Utilization with Conservation.**” Launched by the Chief Guests present on the stage. This book is having 35 Full papers consisting of resource Persons. It is edited by Editors Prof. Vd. Narayan S. Jadhav ,Prof. Arvind Dhabe, Dr.Vinod Patange, Dr.Shital Ghorband

**Inaugral Address by Prof. Shriram Jyotishi , Org. Chairman.**

**Participant of The Seminar:**

**Address by Guest of Honor: Hon. Dr. Manoj Nesari (Adviser, Min.of AYUSH, GOI, New Delhi)**

**Address by Chief Guest : Hon. Mr. Pravinji Ramdas, (National Secretary, Vigyan Bharati)**

**Presidential Address:** by Hon. Prof. Tanuja Nesari (CEO, NMPB and Director, AIIA, New Delhi)

**Report of The Seminar presented by:** Prof. Arvind Dhabe, Org. Secretary, (Dept. of Botany, Dr. BAMU, Aurangabad.

**Vote of Thanks:** by Prof. Vd. Narayan Jadhav, Secretary, SDSP Trust, Hippalgaon

**Program is ended by : National Anthem**

Dr. Shriram Ragnad, Asst. Prof. Dept. of PK, AMC, BV, Pune.

**Invitation**

Dear Academicians / Researchers / Practitioners/Students.....

It gives us immense pleasure to invite you to the "National Seminar on Medicinal Plants."

Constant up gradation of knowledge is very much essential in each field, whether we are academicians, researchers, students and practitioners. The great sage Sushruta Acharya has said that for becoming expert Vaidya/Physician, one must have knowledge of other healing & contemporary allied sciences.

Which is scheduled to be held on 12<sup>th</sup> & 13<sup>th</sup> March, 2022 at Dr. Babasaheb Ambedkar Marathwada University-Aurangabad, (Maharashtra)

**About Seminar:**

Since 2017, Shree Dhanwantari Sevabhavi Pratisthan (SDSP) has effectively created a National platform for inter-disciplinary interactions among all stake holders of Ayurveda. Hosted two National Seminars on Ayurveda (Udgir-2017) and (Hyderabad-18), have assembled researchers, practitioners, Teachers, Students, Manufacturers and Admirers at one place making them unique events. The effectiveness of these two national events can be gauged by a fact that, over 1750 delegates have participated on an average during past two events representing 15 States of our country.

To Commemorate completion of Two decades (20yrs) of Ayurveda Health Care Services, SDSP has decided to organise "National seminar on Medicinal Plants" with the support of NMPB, Ministry of AYUSH, in association with various reputed organizations working in different areas such as Dept. of Botany, Dr. B.A.M.U., Vijnana Bharati, WAF, NASYA, and Others in which Plenary Scientific sessions, poster & oral presentations, Award Function (Life Time Achievement & Young Scientist Award) conferred to deserved Senior & Junior physicians respectively.

Medicinal Plants have been integral part to human healthcare since the origin of mankind. And for Ayurveda botanical entities constituted a major therapeutic armamentarium, while ayurvedic tradition of healthcare enumerated substances of animal

and mineral origins for their therapeutic benefits –herbal constituents constituted the core of Ayurvedic Pharmacology. The Shree Dhanwantari Sevabhavi Pratisthan (SDSP) and Associates has therefore, been paying adequate attention to the medicinal plants.

**Objectives of Seminar:**

1. To review conservation and sustainability concerns of medicinal plants & to take a stock of different approaches to address the prevailing concerns.
2. To take a stock of medicinal plants cultivation and discuss the opportunities for expanding market outreach for farmers through multi-stakeholder consultation
3. To review the scientific research on Extra-pharmacopoeia drug (*Anuka-dravyas*) and "under-utilized medicinal plants" as a "strategy for demand diversion".

**About Organizers****MINISTRY OF AYUSH, GOVT OF INDIA :**

The department has become a full-fledged Ministry in November 2014. The Ministry focuses on upgrading AYUSH educational standards, implementing quality control and drug standardization, improving the availability of medicinal plant material, aiding research and development and generating awareness about the efficacy of the systems, within the country and overseas. Its declared objectives are as follows: Upgrade the educational standards in the Indian system of Medicine and Homeopathy colleges in the country. Strengthen existing research institutions and ensure a time-bound research program on identified diseases for which these systems have an effective treatment. Draw up schemes for promotions, cultivation and regeneration of medicinal plants used in these systems. Evolve pharmacopoeial standards for Indian Systems of Medicine and Homeopathy drugs.

**National Medicinal Plants Board (NMPB) :**

In order to promote medicinal plants sector, Government of India set up National Medicinal Plants Board (NMPB) on 24th November 2000. Currently the board is working under the Ministry of AYUSH, Govt. of India. The Primary mandate of NMPB is to develop an appropriate mechanism for Coordination between various ministries/departments/organizations and implementation of supports policies/programs for overall (conservation, cultivation, trade and export) growth of medicinal plants sector both at the central/state and International Level.

**Vijnana Bharati :**

VIBHA is a national movement dedicated to the integrated development of Bharat through the intervention of science, engineering and technology. Launched in 1991 by a group of thinkers and scientists, VIBHA has, today, 29 active units and 6 overseas units. Eminent scientists, academicians, policy makers and social workers are the torch bearers of this movement. VIBHA takes the spirit of 'Swadeshi' along with the ethos of our culture. It

emphasizes that science and spirituality should go hand in hand. VIBHA works towards rural development, technology transfer, and social empowerment so as to bring the fruits of advancement of science and technology for the benefit of the society. VIBHA works towards national self-reliance and a developed India. Towards this mission, VIBHA adopts, adapts and assimilates the best from everywhere and associates with the best of universities, R & D organizations and other movements.

**National Ayurveda Students and Youth Association (NASYA):**

It is a VIBHA, initiative for Ayurveda was formed in 2008. It is a platform which brings together the young minds of Ayurveda scholars and researchers working in related indigenous sciences, it kindles the neurons by providing a vast exposure to practical aspects of Ayurveda trainings and gives an opportunity to share ideas, experiences and researches at various National and International Levels, Youth working in the field of Ayurveda and related health care system.

**World Ayurveda Foundation (WAF):**

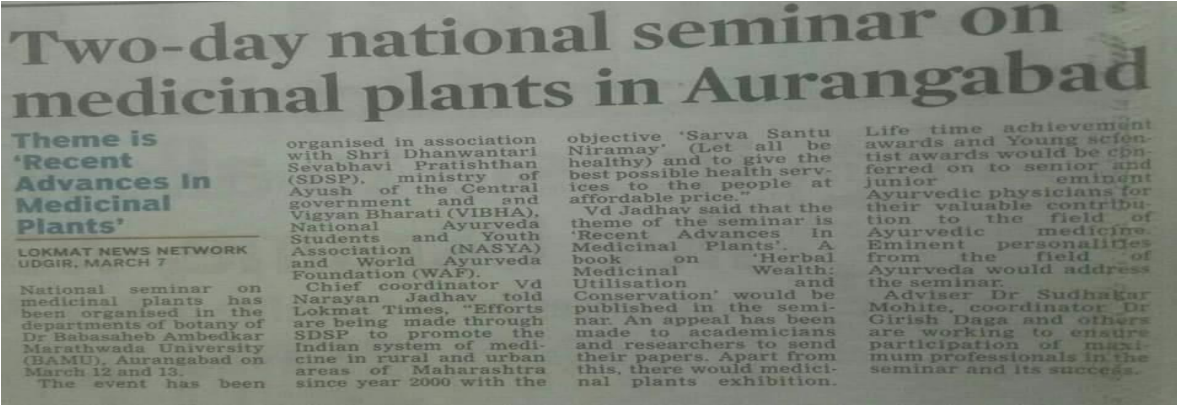

Founded in 2011, the World Ayurveda Foundation (WAF) is an initiative by VIBHA aimed at global propagation of Ayurveda. As part of a larger intellectual movement under the aegis of the *Swadeshi Science Movement*, WAF is a platform that would take Ayurveda to the world for all the benefits mankind can draw from traditional health sciences. The impact of WAF encompasses the areas of policy, action, public health, trade, practice, science and above all, global outreach for the benefit of society and mankind.
